QTY:

ISBN 9781864651416 **Height | Width** 297 210
Category Stationery items **Binding** H/B **Pages**

Celebrating the distinctive artistic style of Tjala Arts artist Yaritji Young, this journal will delight the user with many distinct features including the glorious full colour painting of Tjala-Tjukurpa (Honey Ant Story) featured on the front cover. Young is telling the story of the tjala (honey ants), which are found about a metre underground beneath mulga trees. Honey ants are a highly-flavoured food source. The source of the honey ant is told across the Northern Territory into South Australia.

This journal has been designed for multiple uses including taking meeting notes.
 A4 size for business use - High gloss colour cover - Woven ribbon for marking pages
 Bound to sit flat and robust - Endpapers duplicate the cover design - Simply beautiful
